

Technical drawing of the 'KUB' shower unit, showing dimensions in mm:

- Top View:** A square panel with a width of 500 mm and a height of 650 mm. It features a central circular pattern of small holes and four corner holes. A horizontal bar is located near the bottom center.
- Side View:** Shows the unit's profile with a total height of 1550 mm. The base is 1050 mm wide. The top edge is 13-19 mm high, and the bottom edge is 67 mm high. A G1/2 connection is indicated on the left side.
- Detail View:** A close-up of the base connection showing a 115 mm wide flange, a 141 mm high mounting bracket, and a 76 mm high base. A 50 mm gap is shown between the base and the mounting bracket. A G1/2 connection is indicated on the right side.
- Bottom View:** Shows the underside of the unit with a 43 mm wide base and a 1550 mm high support structure. A G1/2 connection is indicated on the left side.
